

minus-tio®

*Darling is a comfortable chair with a charming character and numerous possibilities.*

It all started with the typical Scandinavian chair - slim, light, comfortable. Few materials. Modest. But the result is something more. Darling is embracing and charming. A friendly character who puts a smile on your face.

With a number of different bases, cushions and arm rests Darling offers great possibilities for customization. Darling invites you to create your own - Darling. Design by Wingård/Wingård.

#### *Base options:*

Sled base in steel or four legs in steel, painted black or white.
